INVESTIGATOR'S SIGNATURE

IF NECESSARY, USE AN 8 1/2 x 11" SHEET OF WHITE PAPER TO CONTINUE ANY ITEM.

This investigation was initiated 16 March 2015 and assigned to the undersigned 18 March 2015. The case file was found to contain the Face Sheet and Civil Suit Notification (ATT#4). The undersigned obtained a copy of the Civil Suit (ATT#5) from the B.I.A. Records Section. The undersigned sent a Certified Letter and Sworn Affidavit (ATT#6) to the reporting party 18 march 2015 which was delivered 23 March 2015.

The undersigned searched the CHRIS Database and retrieved the original case report (ATT#7) documenting the sexual assault the reporting party was arrested for. In this report the reporting party was listed as the offender of the criminal act. From the ICLEAR Database a copy of the reporting party's Arrest Report (ATT#8) documenting his arrest was obtained. From this the undersigned was able to identify the accused. A list of items inventoried under RD# [REDACTED] (ATT#9) was also obtained from ICLEAR. This list shows that on 11 Sep 2014 the Evidence Technician recovered from the crime scene and subsequently inventoried a knife, plastic bag, red blanket, white bed sheet, and a mattress cover (ATT#10-14). The list further documents two CSA Kits which were recovered from Comers Children's Hospital (ATT#15-16). The list also shows two items inventoried 04-05 March 2015, these items being buccal swabs from the victim of the crime and the offender (reporting party).

In the reporting party's diatribe ALLEN alleges that on 10 Sep 2015 officers, without a warrant, searched and removed property from the crime scene in which the criminal sexual assault documented under [REDACTED] occurred. Attachments 10-14 do in fact show that property had been removed and properly inventoried by Evidence Technician Stephen O'CONNELL #14403, Unit 277 while processing the crime scene. This is consistent with proper Crime Scene Processing procedures. There is no evidence or witness testimony to support an allegation of illegal search and seizure, thereby rendering this allegation UNFOUNDED.

ALLEN further alleges that he was arrested on 11 Sep 2014 without probable cause and subsequently searched without a warrant. ALLEN does not allege that anything was seized from his person during this search. ALLEN related that he was arrested for an Investigative Alert and later charged with the Criminal Sexual Assault. A search of the Investigative Alert Database showed that there were no recent or active IA's for ALLEN. The database did show that ALLEN had a prior alert that had expired 20 Jun 2012 (ATT#17). The Original Case Incident Report (ATT#7) documents that ALLEN was the named offender in the Predatory Criminal Sexual Assault under [REDACTED]. The Arrest Report (ATT#8) has no mention of an Investigative Alert for ALLEN. The report documents that he was arrested for placing his finger in the anus of two victims under 6yoa.

The undersigned served the accused with required paperwork (ATT#18-19) and afforded the accused the opportunity to respond to the allegations. In their reports (ATT#20-21) the accused related that the case had come to their attention through Detective James EVANS #21158, the detective investigating the listed RD#. The accused related that EVANS informed them that ALLEN was the named offender under [REDACTED] and asked that he be placed into custody. The accused stated that based upon this information

they took ALLEN into custody. Subsequent to placing ALLEN into custody the accused performed a custodial search of ALLEN. The accused related that the arrest of ALLEN was not based upon an Investigative Alert. .

In furtherance of this investigation, the undersigned contacted Detective James EVANS #21158 and requested a Witness Report (ATT#22). EVANS complied and in his report (ATT#23) confirmed that he had informed the accused that there was probable cause for the arrest of ALLEN based upon his investigation as well as that of the officers who conducted the preliminary investigation. EVANS further supplied the undersigned with a copy of a Cook County Court Order dated 13 Sep 2014 which shows a Finding of Probable Cause for ALLEN and notes the charge being Predatory Criminal Sexual Assault (ATT#24).

Based upon the fact that there was probable cause for the arrest and subsequent custodial search of the reporting party the undersigned requests that the finding of this investigation be entered as EXONERATED.
